

AKRONFILM

Rewrite Akron's origin!

Create a pretend documentary showing how Akron got to be where it is. Tell any story but the real one!

How it works:

There is a \$15 entry fee per team and no limit on team size. Teams must supply their own cameras and other equipment.

At an orientation on Sunday, November 22nd at 3:00 PM at the Akron Art Museum, AF will supply several elements of current Akron life that must be explained by your story. For example, one of them will be: "Why is there a blimp perpetually overhead?"

Use photos, archival footage, interviews, and other tools of documentaries to tell your story. The story must be fiction, but the elements that make it up may be real or fabricated. The finished project must last five minutes or fewer. Deliver your project to us using one of the methods in the chart below, and notice the differing deadlines depending on your delivery method.

After watching the projects at a wrap-up event on December 10th at 6:30pm, an independent panel of film buffs, Akron experts, and local documentary makers will determine the winner, which will be announced later that evening. **The winning team will receive \$250 cash plus an assortment of items from local businesses, and will be screened again as part of the Akron Film Festival, taking place from September 23rd to 26th, 2010 at the Akron Art Museum.**
